Subject: Rough Estimates - Book Production

Good morning Dave, Tom,

As requested, here is the timeline for publication from Wiley. It will be tight to have something finished for the North America meeting, but we should be able to show advanced copies or bound proofs to garner enthusiasm.

I sent an email to Laurie about poster images on Friday, and will follow up with her tomorrow if I haven't heard back.

Manuscript Inventory: 2-4 weeks
Initial processing of manuscript upon handover: 2 weeks
Copy edit: 4-6 weeks
Typesetting: 2-3 weeks
Proof Review: 2 weeks
Corrections: 2-3 weeks
Printing and binding: 2-4 weeks
Shipping: 6-8 weeks

Let me know if I can do anything else!

All the best,
Jen
